

THE PROFESSIONAL'S CHOICE

THE ULTIMATE POWER CHOICE

Model TM750 outclasses all other sewer cleaning machines. With its powerful 3/4 HP dual capacitor motor, it easily clears lines up to 300 feet long and 10 inches in diameter. It's perfect balance allows for easy one-man operation. Double-welded tubular frame and self-lubricated sealed bearings insures longevity and maintenance-free operation. Comes with puncture-proof tires. Electric footswitch included. Black only.

TM750 - \$3,295.00 Cable not included
TM750PF - \$3,840.00 with power cable feeder, Cable not included

COMPACT, LIGHTWEIGHT & VERSATILE

Model TM5800 with a 3/4 hp motor, is the answer to clearing lines from 1 1/2" to 6". With 120' of 1 1/16" cable it weighs only 175 pounds, The TM5800 is easily rolled on it's large 10" puncture-proof tires. Quick-reel interchange allows the use of either 3/8" X 90' cable or 1/2" x 100' cable for smaller 1 1/2" to 3" lines. Electric footswitch included. Black only.
